

ABOUT AICTE-VAANI

The AICTE-VAANI scheme, also known as Vibrant Advocacy for Advancement and Nurturing of Indian Languages, is an initiative by the All India Council for Technical Education (AICTE) to promote the use of regional languages in technical education. The scheme provides financial assistance to institutions for organizing conferences, seminars, and workshops in 22 regional languages.

EXPERT SPEAKERS

Dr. Kumar GN Professor,
National Institute of Technology Karnataka

Dr. Vasudev M Professor,
National Institute of Technology Karnataka

Mr. Sankappa Rai Sr. Director,
Aragen, Bengaluru

Mr. Shakuna Udupa Deputy GM,
Mangalore Chemical & Fertilizers, Mangaluru

Dr. Santhosh K Professor,
MIT, Manipal

Dr. Shantharama Rai C Principal,
AJIET, Mangaluru

Dr. P Mahabaleswarappa Dean,
AJIET, Mangaluru

WHO CAN PARTICIPATE

Faculty members of AICTE approved Institutions, Research Scholars, PG scholars, participants from Government, Industry (Bureaucrats/ Technicians etc.) and staff of host Institutions

GUIDELINES

A test will be conducted by the coordinators at the end of the program.

The certificates will be issued to those participants who have attended the program with minimum 80% attendance and scored minimum 60% marks in the test.

Participants can register free of cost through the online ATAL portal.

A maximum of 50 participants will be enrolled

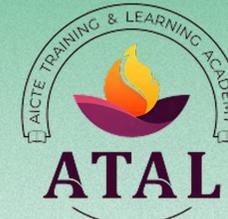

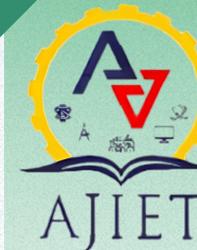

REGISTRATION

ITS POWERED BY HYDROGEN”

ABOUT THE COLLEGE

A. J. Institute of Engineering & Technology is promoted by Laxmi Memorial Education Trust which was registered in the year 1991 in memory of Late Laxmi Shetty, mother of Dr. A. J. Shetty, who is the President and Managing Director of the Trust.

AJIET's vision is to develop into a holistic, value-based living model where education is rooted in ethics, compassion, and social responsibility. The Institution aims to create a trans-formative learning experience that enriches academic pursuits and fosters the growth of well-rounded individuals.

AJIET is affiliated to Visvesvaraya Technological University, Belagavi accredited by NAAC & NBA (BE: CV, CSE, ECE, ISE, ME) and recognised by the All India Council for Technical Education (AICTE), New Delhi. The Institution offers eight undergraduate programs and two postgraduate programs in MBA and MCA. Additionally, AJIET is a recognised research center, offering Ph.D programs in various disciplines, including Computer Science and Engineering, Electronics and Communication Engineering, Mechanical Engineering, Civil Engineering, Mathematics, Chemistry, and Physics.

ABOUT THE WORKSHOP

The workshop on "Hydrogen Energy for a Sustainable Future: Empowering a Greener Tomorrow" scheduled from 21st-23rd January, 2026, at AJ Institute of Engineering and Technology, Mangalore.

Key Takeaways:

- ✔ Introduction to hydrogen energy and its applications
- ✔ Hydrogen production methods and storage solutions
- ✔ Fuel cells and their applications
- ✔ Role of hydrogen energy in achieving sustainable development goals
- ✔ Case studies and future directions

Benefits:

- ✔ Learn from experts in the field
- ✔ Network with professionals and researchers
- ✔ Gain insights into the latest advancements
- ✔ Discuss challenges and opportunities
