Report on "Awareness of Computer and Basic of Microsoft Tools"

Name of the Program:	Awareness of Computer and Basic of Microsoft Tools	Program Dates & Timings:	07/09/2023 to 15/09/2023			
Event Location	Pompei Higher Primary School, Urwa-575006, Mangalore City North Range.					
Organized by (Clubs/ Dept.)	Information Science and Engineering	In Association with				
Number of Participants	25	Students	25	Faculty	-	
Program Outcome (PO) Mapping	PO6, PO9, PO10					
Coordinators	Mrs.Arptha G					

About the Program:

The "Awareness of Computer and Basics of Microsoft Tools" activity was held from September 7 to September 15, 2023, at Pompei Higher Primary School. Total 25 students of 4th semester Information Science and Engineering conducted the event successfully.

The 80-hour program aimed to enhance digital literacy by introducing basic computer operations and Microsoft tools. Training sessions covered fundamental computer use, including Microsoft Word, Excel, and PowerPoint. Practical exercises allowed participants to apply their skills, and interactive Q&A sessions provided additional support. The event successfully improved participants' computer skills, receiving positive feedback for its effectiveness.

Objectives:

The objectives of the events are

- Educate participants on fundamental computer operations and components, including hardware and software.

Principal
A.J. Institute of Engineering & Techn
Mangaluru - 575 006

- Provide practical training on essential Microsoft applications such as Word, Excel, and PowerPoint.
- Improve participants' overall digital literacy and their ability to use computers effectively in various contexts.
- Offer hands-on practice and real-world scenarios to reinforce learning and build confidence in using computer tools.

Outcomes:

The expected outcomes include;

- Participants gained a foundational understanding of computer operations and Microsoft tools.
- Participants acquired hands-on experience with Microsoft Word, Excel, and PowerPoint, enhancing their ability to use these tools effectively.
- The training improved participants' confidence in navigating computer systems and using essential software.
- The activity received positive feedback from participants, who valued the practical and interactive approach of the training.
