

## Mind Spark 2025-Innovation Ideathon Challenge

The Mind Spark 2025 – Innovation Ideathon Challenge was successfully conducted by the department of Artificial Intelligence and Data Science in Lab 421 at A J Institute of Engineering and Technology, Mangalore, on August 9th, 2025, at 9:00 AM. The event aimed to develop creativity, problem-solving, and collaborative thinking among participants, while addressing real-world challenges through innovative solutions.

A total of 15 teams participated in the competition, with each team comprising 3 to 4 members. The diversity of ideas and perspectives contributed to a rich exchange of knowledge and creative concepts. The event was evaluated and guided by three faculty members, who served as judges and mentors, ensuring fair assessment based on innovation, feasibility, impact, and presentation skills. The event is coordinated by Mrs. Navya S Rai and guided by Dr. Padmanayana, HOD AI&DS.
