Ayudha Pooja Celebration-AI&DS

The Department of **Artificial Intelligence and Data Science** celebrated **Ayudha Pooja** on **1st October 2025** with great devotion and enthusiasm. The department was beautifully decorated for the occasion, creating a festive atmosphere.The pooja began with traditional rituals invoking the blessings of Goddess Saraswati and Lord Vishwakarma.All laboratory equipment and computers were worshipped, symbolizing gratitude towards the tools of learning and innovation.

Faculty members, staff, and students participated wholeheartedly in the ceremony.Prasadam was distributed to all after the rituals.

The event reflected harmony, cultural values, and collective joy within the department.The celebration concluded with smiles, sweets, and a renewed spirit of togetherness.
