2. Helping Local students: Session on Importance of Higher Studies and Extra-curricular activities conducted at Ashoka Nagara Higher Primary School, Mangaluru on 12th March, 2025

Objective of the Programme:

To create awareness on the importance of higher education as well as extra-curricular activities as a key step toward promoting holistic student development and enhancing the quality of education. This initiative of imparting knowledge, motivation and career opportunities helps students to make informed academic and career choices and also encourage them to explore their talents and interests beyond the classroom.

Highlights of the Programme:

- An introduction to higher education explaining its long-term value in unlocking career opportunities, personal development and constant learning.
- Session on values of extra-curricular involvement in shaping students into well-rounded individuals.
- Presentation of real-life examples and storytelling to share the success stories of individuals who excelled in academic achievement along with participation in sports, arts and other co-curricular areas.
- Session on motivational talks, open discussions, educational guidance and engaging activities was the key for the success of the programme.
- The event inspired students to dream big, explore their talents and take active steps towards achieving their goals.
