

## OutReach Program3-Department of AI&DS

### 3. Helping children: Programme on Enhancing the enrollment of students in Extra-curricular activities conducted in Kuntikana area of Mangaluru city on 09<sup>th</sup> April, 2025

Objective of the Programme:

To promote the importance of extra-curricular activities alongside academic pursuits for nurturing children. This event acts as a powerful tool for the personal growth, gain essential life skills, develop discipline and refine the talents of the children especially from under-resourced background. To support students outside the conventional classroom setting event was organized outside the school premises in Kuntikana area of Mangaluru.

Programme Highlights:

- The event saw participation from students of various age groups and interests. Children felt the joy of learning outside textbooks and it helped them discover hidden talents through fun and inclusive experiences.
- Children were encouraged to express their interests, hobbies, and dreams. The openness made it easier for them to share without hesitation.
- Basic guidance was given on balancing school work with creative hobbies.
- Students freely expressed themselves through drawing.
- Simple team-based games were organized to foster co-operation, problemsolving and trust among the students.
- Students spoke about their hobbies and dreams and what they aspire to become.
- Participation level was high and children remained engaged throughout with increased enthusiasm, improved confidence and a sense of pride.
