

## Women Empowerment-Poster Making Competition - Department of AI&DS

### Poster Making Competition on account of Women Empowerment held in AJIET Campus on 10th December 2025

Objectives of the programme:

The Women Empowerment Poster Making Competition was organized with the objective of creating awareness among first-year students about the importance of women empowerment and gender equality. The programme aimed to encourage students to express their ideas creatively, sensitize them to social issues faced by women, and promote values such as equality, respect, and social responsibility.

Programme Highlights:

- Students were encouraged to create posters on themes such as women's rights, gender equality, education of girls, women leadership, and social empowerment.
- The activity provided a creative platform for students to express their thoughts and social messages through art and visuals.
- The students guided participants by giving instructions and explaining the theme of women empowerment.
- The posters reflected innovative ideas, powerful messages, and strong awareness about the role of women in society.
- The competition helped improve creativity, critical thinking, and visual communication skills among students.
- The programme sensitized students towards social issues and encouraged them to support women empowerment initiatives.
