

## **Technical Talk on “Bridging the Gap: Real-world AI Applications Through Mini Projects and Ideathons” – 4 April, 2025**

### **About the Workshop:**

Driven by passion for innovation and a spirit of active learning, the department successfully organized a workshop on “Bridging the Gap: Real- world AI Applications Through Mini Projects and Ideathons” aimed at bridging the gap between theory and practice in AI. The workshop took place in lab A421 of the A J Institute of Engineering and Technology, Mangalore, on April 4th 2025 at 2:00PM.

The resource person, Ms. Remul Pinto, Assistant Professor in the Dept. of Artificial Intelligence and Data Science at AJIET, Mangalore was welcomed by the association's student president, Rithvik. Dr. Padmanayana, the HOD of the Department, was also present for the event. The workshop effectively clarified the foundational concepts of Artificial Intelligence (AI), Data Science (DS), and Machine Learning (ML), offering participants a comprehensive understanding of each domain, focused on practical applications of AI and Data Science, covering various tools and skills required. The session was well-received, providing valuable knowledge and inspiration to attendees. The session was then followed by each team presenting their project ideas before a panel.
