Workshop Report

The **Embedded and Robotics Club** of AJIET conducted an engaging workshop on “**Arduino Basics for Robotics Enthusiasts**” on **10th October 2025** for its first and second year club members. The session was delivered by **Mr. Thejas J P** and **Mr. Lohith Saya**, final-year **ECE students** and active members of the club, under the supervision of the **Staff Coordinator, Mr. Harsha C J**, Assistant Professor, Department of ECE.

A total of **34 members** enthusiastically participated and gained hands-on experience in Arduino programming and its applications in building robotic systems. The workshop helped participants strengthen their foundational skills and sparked greater interest in embedded system design and robotics.
