

This Memorandum of Understanding, dated 15th day of December, 2022, is entered between **AJ Institute of Engineering and Technology, Kottara Chowki, Mangaluru, Dakshina Kannada, Karnataka, India** (hereinafter referred to as **AJIET**) represented by Principal, AJ Engineering College, and **M/s. CADD Centre, Bendoorwell, 1st floor Prime Tower, Opp to Mangalore Nursing Home, Bendoorwell, Mangalore** (herein after referred to as **CADD Centre**) represented by **Mr. RAJESH, Centre Head**.

AJIET – CADD CENTRE COLLOBORATION OBJECTIVE:

Maximize placement opportunities for students of core engineering branches viz. civil, mechanical, electrical and electronics by equipping them with industry specific skills and make them industry ready

This Memorandum of Understanding is to conduct a **Unique Systematic Skills Development Programme** for the students of the core engineering branches viz. Civil, Mechanical, Electrical & Electronics and Electronics & Communication. Towards achieving the objective of maximizing the employment opportunities for **AJIET** Engineering students and to plan investments and instructors, this memorandum of understanding is being entered for a minimum period of 1 year, which can then be further extended mutually.

The Memorandum of Understanding states the terms and conditions under which the **Unique Systematic Skills Development Programme** shall be conducted by CADD Centre at **AJIET**, and lists herein the respective responsibilities of both parties.

PREAMBLE:

For a student to be recruited by a good company, he/she is expected to have the following:

1. Strong Fundamental Engineering Knowledge
2. Engineering related **Multiple Technical Skills** - Develop skills that add value.
3. Communication & other Soft Skills

Engineering Knowledge will be provided by AJIET. CADD Centre will equip the core engineering branches students with the required industry specific technical software.

The irony in India is that there are thousands of unemployed Engineering students not finding jobs while Industry has requirement of millions of engineers at multiple levels but are unable to find the

Mangaluru - 575 006

right candidates. This is because of the skill gap that exists between academic institutions and industry

requirements. This skill gap is sought to be minimized for **AJIET** students by facilitating them to acquire the appropriate and relevant skills at the college itself. Benefits accruing to the college and students are listed at Annexure 1.

Through this collaboration, CADD Centre will prepare the students of **AJIET** to be ready for industry by the time they enter the final semester and assist many of them to find their dream jobs. For this the students have to be nurtured and trained in different areas. Keeping in sync with academic progress and the knowledge curve over a period of time.

SCOPE OF COLLOBORATION:

Both parties to this MOU agree that the broad scope of responsibility will be as stated below:

CADD Centre Bendoorwell shall provide

- The Internationally acclaimed CADD Centre course material to all students for each software.
- Each student who successfully completes the training Programme will be given a certificate.
- The requisite instructors to provide the training for the different software.
- Assessment of student on module completion.

AJ shall provide :

- Required number of computer systems in the lab for the practical.
- Class rooms with LCD projector for the theory classes.

PARTICIPANTS

Students of Technical engineering who have participated in this will be trained on the relevant software.

COURSE CONTENTS

CADD Centre in consultation with **AJIET** has finalized the course contents for the skills development programme. These are listed branch-wise at Annexure 1. These will be reviewed every year and suitable changes, if required, will be incorporated. As the requirement of each core engineering branch is different, course contents have been worked out separately for each branch.

TIME SCHEDULE

The programme(s) will be conducted during the college working hours.
The students will be divided into batches, depending on the total strength.

LINK OFFICER

The Principal shall appoint a Link Officer from each department for the duration of the programme, who shall liaise with CADD Centre and speak for the participants to make the training process learner-friendly and effective. CADD Centre shall work in close relationship with the Link Officer, who in turn shall keep a close touch with the students. In the event of any difference of opinion between CADD Centre and the Link Officer, the matter should be referred to the **Principal AJIET** whose decision thereon shall be final.

COURSE FEES & PAYMENT PATTERN

The course fees per student for each one the courses offered are detailed at Annexure 1.
AJIET will release the payment for the total number of students enrolled in each branch. Payment can be made as cheque/demand draft in favor of RAJESH V payable at Mangalore.
