

Workshop Name: 2 days Skill Development Program on “ Modern AI with Deep Neural Network”

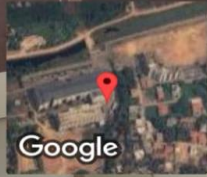

Resource person: Mr. Nuhayd Shaik, Gen AI Engineer, Augometa Technologies Pvt. Ltd.

Date: 01-08-2025, 04-08-2025

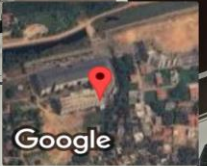

Department: Computer Science and Engineering, Information Science and Engineering

The Department of Computer Science and Engineering and Information Science and Engineering organized a two-day Skill Development Program titled “Modern AI with Deep Neural Network” on August 1st and 4th, 2025. The workshop was conducted by Mr. Nuhayd Shaik, a Generative AI Engineer at Augometa Technologies Pvt. Ltd. This program aimed to equip students with foundational and advanced knowledge of modern artificial intelligence techniques, focusing on deep neural networks. Through interactive sessions and hands-on activities, participants gained valuable insights into cutting-edge AI applications, enhancing their technical skills and preparing them for industry-relevant challenges in the field of AI and machine learning.
