Workshop Report

The **Embedded & Robotics Club of AJIET**, in association with the **Department of Electronics & Communication Engineering**, organized an informative hands-on session on **“Robotic Process Automation (RPA) using UiPath”** on **25th November 2025** for its club members.

The session was conducted by **Mr. Gauresh G. Pai**, Final Year CSE student and **Student Developer Champion (SDC) – UiPath**, under the supervision of **Mr. Harsha C J**, Faculty Coordinator, Embedded & Robotics Club, Assistant Professor, Department of ECE.

A total of **32 students** actively participated and gained practical exposure to RPA concepts, software robots, and workflow automation using UiPath. The session enhanced their understanding of automation tools and encouraged them to explore real-time applications of RPA in various domains.
