Report on "STTP on SAP in MM"

Name of the Program:	STTP on SAP in MM	Program Dates & Timings:	21-07-2025 to 31-07-2025		
Name & Details of the Resource Person:	Mr. Ramasubramanian				
Organized by (Clubs/ Dept.)	Mechanical Department	In Association with (clubs)	ARMS		
Number of Participants	28	Students	28	Faculty	00
Program Outcome (PO) Mapping	PO1, PO2, PO5, PO9, PO10, PO11, PO12				
Coordinators	Dr. Vighnesha Nayak & Mr. Harold D'Souza				

About the Program: The Department of Mechanical Engineering organized a **Short Term Training Program (STTP) on SAP in Materials Management (MM)** to enhance students' technical competencies in ERP solutions widely used in manufacturing, logistics, and supply chain domains. The program was conducted in collaboration with industry experts to bridge the gap between academic learning and real-world industrial applications.

The STTP commenced with a warm welcome by **Dr. Vighnesha Nayak**, Program coordinator who highlighted the objective of the event and the vital role of SAP in fostering ERP system in industry. **Dr. Rajesh Rai P**, HOD of the department, delivered the address, underlining the importance of integrating SAP software education into academic and entrepreneurial activities. **Mr. Harold D'Souza**, addressed introduction of resource person, the program details and vote of thanks.

The resource person of the program, Mr. Ramasubramanian, an esteemed expert conducted the program for 10 days (40 Hrs) from 21-07-2025 to 31-07-2025 for 28 students of the final year mechanical engineering.

SAP MM (Materials Management) is a core functional module in SAP ERP responsible for procurement, inventory management, and material planning. It integrates with other SAP modules such as PP (Production Planning), SD (Sales & Distribution), and QM (Quality Management).

Topics Covered

- Introduction to ERP and SAP
- Overview of SAP MM module
- Organizational structure in SAP MM
- Master data management (Material Master, Vendor Master, Purchase Info Record)
- Procurement process in SAP MM
- Inventory management and stock movements
- Invoice verification
- Integration with other SAP modules
- Hands-on practice with case studies

This session was designed to offer hands-on insights, especially beneficial for students and make them ready for industry.

An interactive Q&A session allowed participants each day to seek expert advice. The queries were addressed with detailed explanations, reflecting the practical knowledge of the speakers.

The participants provided positive feedback, especially appreciating the **practical hands-on sessions**. Students reported increased confidence in operating ERP software and recognized its importance in manufacturing and supply chain industries. The STTP successfully met its objectives by equipping participants with industry-relevant skills and enhancing their employability.

The STTP concluded with a vote of thanks proposed by **Dr. Vighnesha Nayak**, who acknowledged the support of the management, speakers, and the enthusiastic participation of students and faculty members. **Dr. Rajesh Rai P**, HOD of the department, delivered the presidential address.

Objectives: The program Start-up Pitch Session enable students to

1. **To provide hands-on experience** on SAP MM interface and functionalities.
2. **To understand procurement processes** including purchase requisitions, purchase orders, and goods receipt.
3. **To familiarize students with inventory management** operations, stock transfer, and reservation processes.
4. **To integrate theoretical supply chain concepts** with practical ERP system execution.
5. **To prepare students for industry-recognized SAP certification** and job-oriented skills.
6. **To enhance employability** by equipping students with global ERP tools used in manufacturing and logistics.

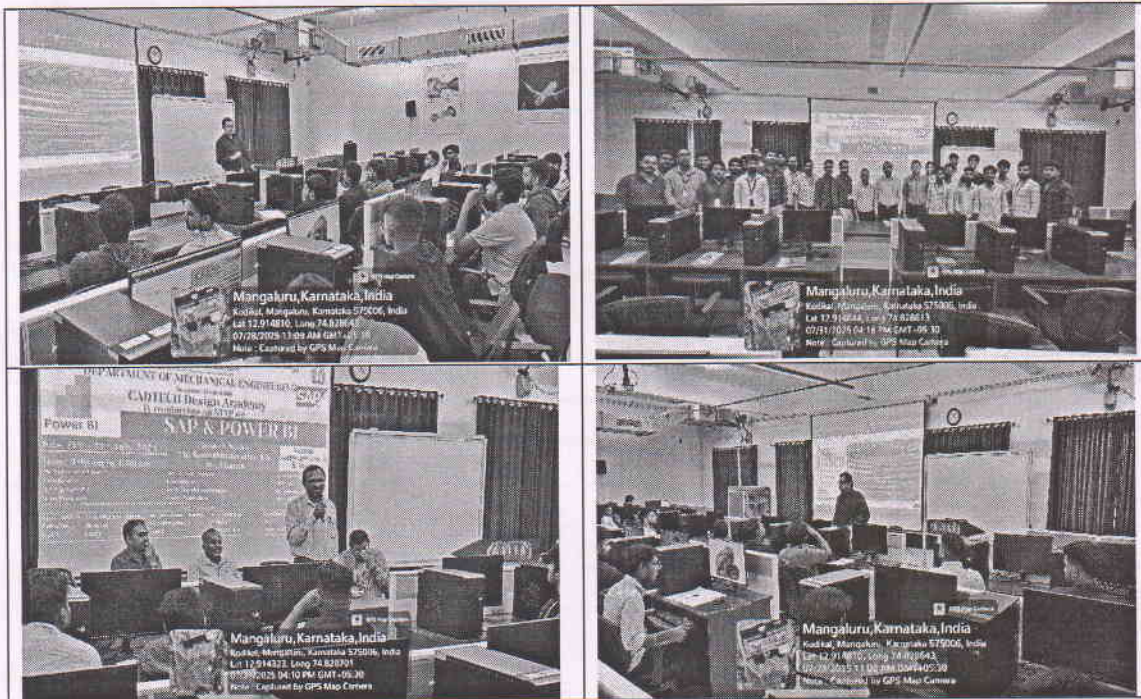

Outcomes: On successful completion of program, the student should able to:

1. Understand the fundamentals of ERP and SAP MM structure
2. Perform procurement and inventory management processes in SAP MM
3. Analyze and generate SAP MM reports for decision-making

FEEDBACK:

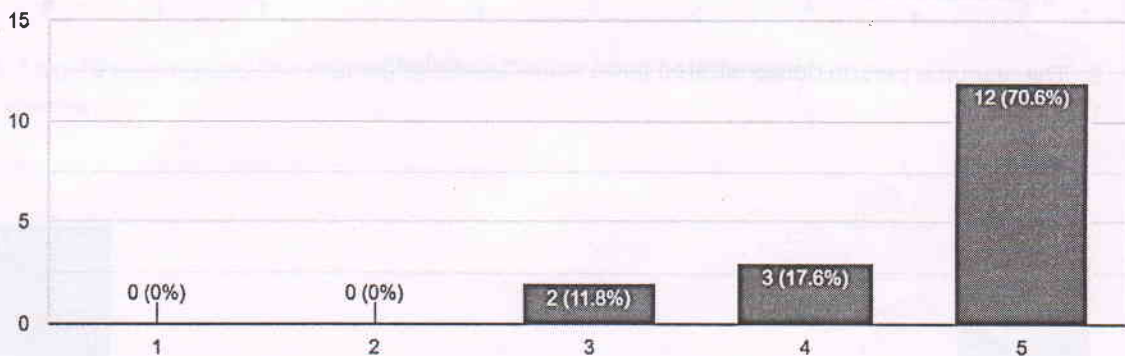

1. The objectives of the STTP were clearly explained.

17 responses

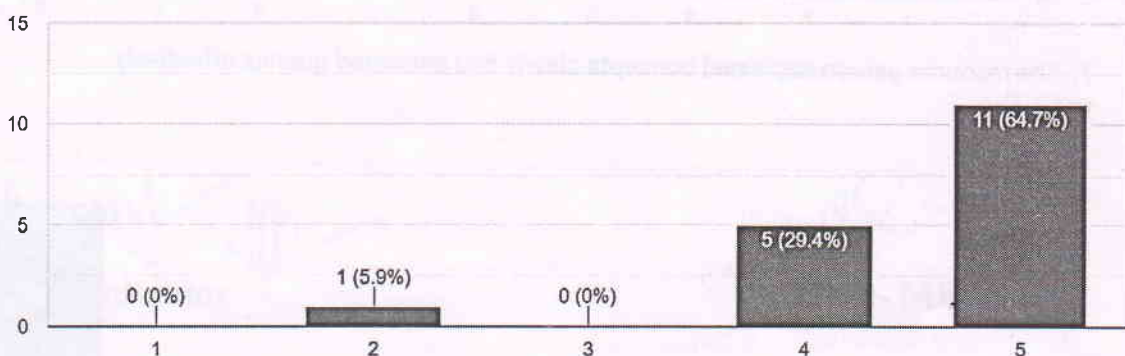

2. The topics covered were relevant and useful for my academic/industry requirements.

17 responses

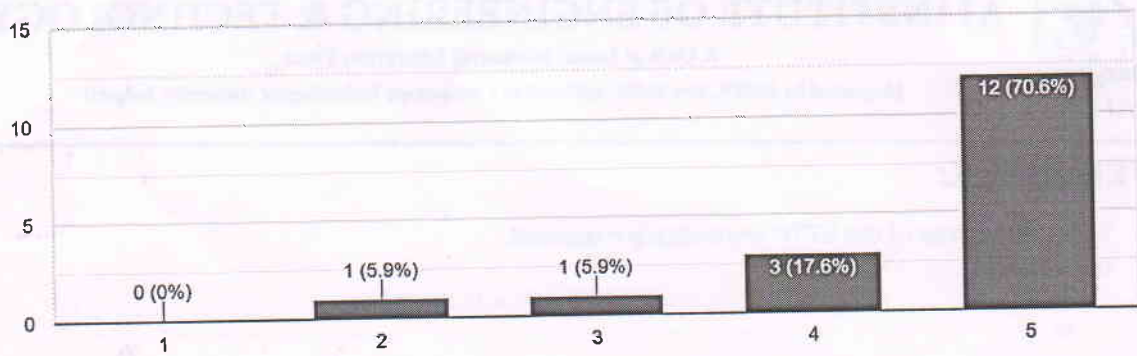

3. The depth of coverage in SAP MM concepts was appropriate.

17 responses

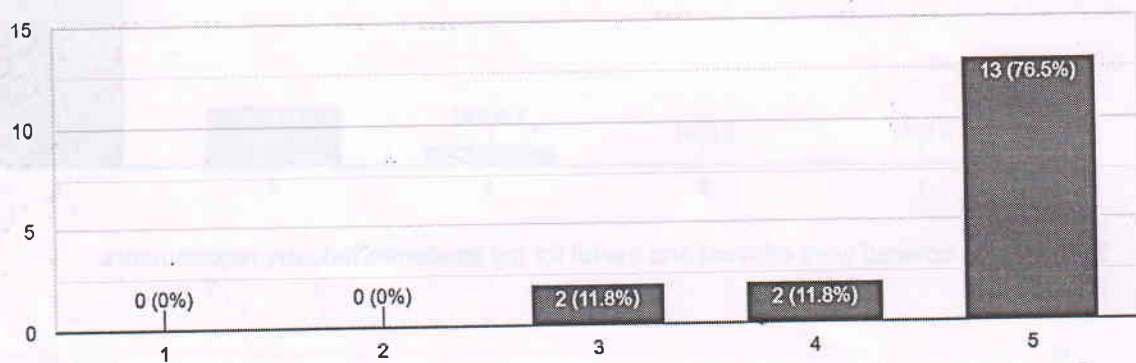

4. The balance between theory and hands-on practice was effective.

17 responses

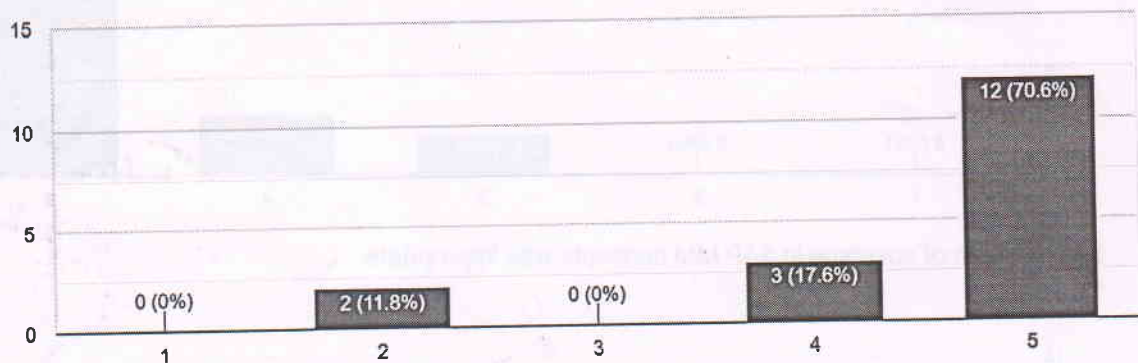

5. The training content was well-organized and easy to follow.

17 responses

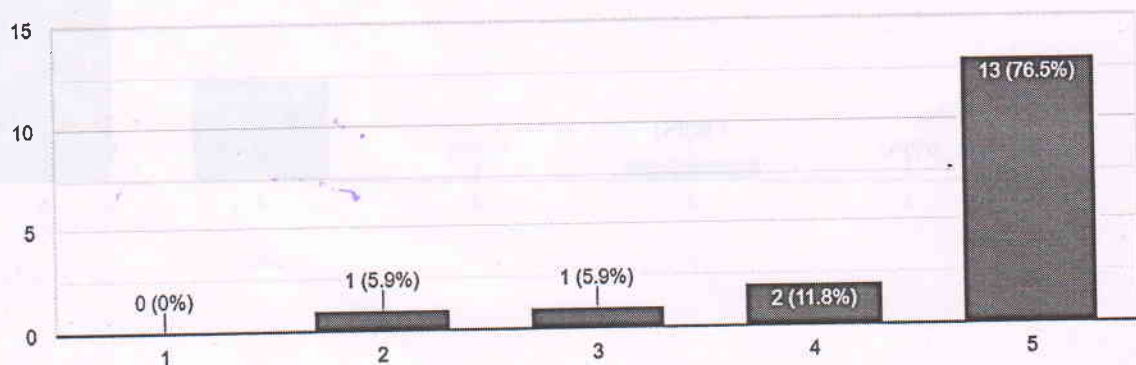

6. The resource person demonstrated good subject knowledge.

17 responses

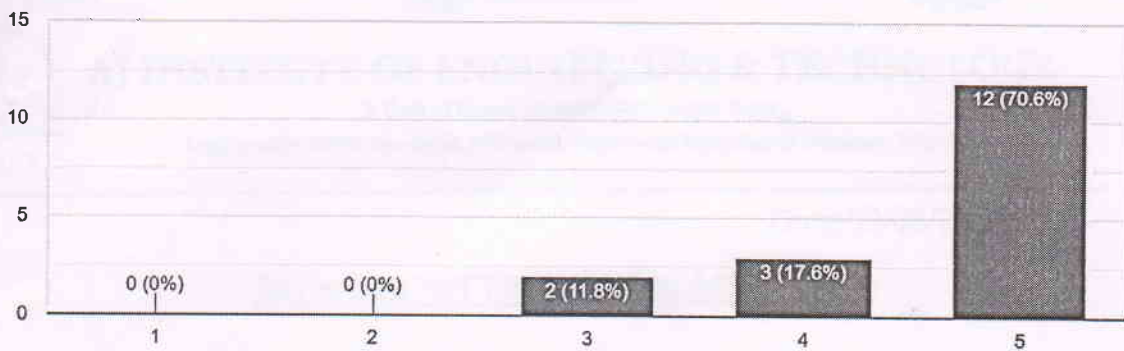

7. The resource person explained concepts clearly and answered queries effectively.

17 responses

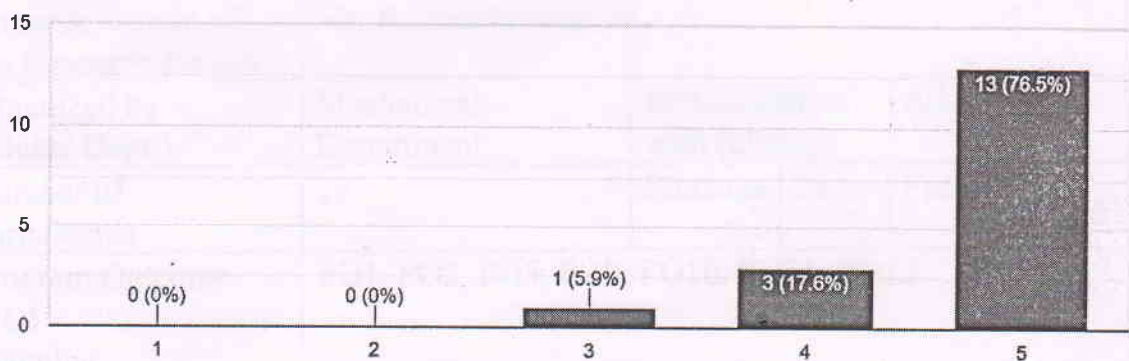

8. The training pace was comfortable and manageable.

17 responses

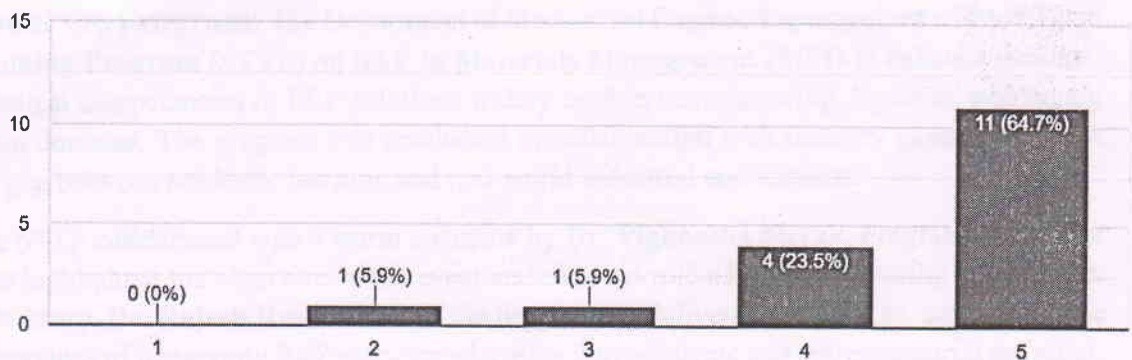

9. Overall, I am satisfied with the STTP on SAP MM.
